Juniata Valley Council Troop Risk Management Project Contest

Develop 2 Risk management projects for your Troop that will be instituted in your local Troop in the next 5-6 months. Submit a description of the project including actions taken by the Troop youth and adult leadership and how it made an impacting in making Scouting a safer place for all. A volunteer committee will review all submissions and select the top projects. Recognitions will include use of Eagle Lodge (including a meal and cracker barrel), use of other buildings and gift certificates. Entry Deadline is December 31, 2011 and winners announced at the Council Recognition Dinner February 6, 2012 at the Ramada Inn and Conference Center in State College
